

Housing and your money: Make both work for you!

Being a renter or homeowner includes understanding your finances and taking care of them as well as taking care of your space. The Scott County CDA, Carver County CDA and University of Minnesota Extension are offering a webinar series to help you become a successful.

These one hour webinar's are offered the following Tuesday's in March at 9 am or 7 pm.

March 9: Rent Wise- We will discuss lease agreements, taking care of your home, communication with your landlord and managing your money.

March 16: Budgeting Basics- Have you ever found yourself short of money? Budgeting helps us know where our money is going, plan for our future, and ease stress. This webinar will help you get started.

March 23: Understanding and Using Credit- Credit cards and loans are tools that can be used wisely. This webinar will address how to use credit and why your credit history is important.

March 30: Dealing with Debt- At some point in our lives, we may have debt and having a plan to tackle it is important. This webinar will talk about debt, how to reduce it and available resources to help.
