

# NOTICE OF AREA CONSTRUCTION

Fall  
2025

HELLO, NEIGHBOR!

The Scott County CDA contracted with KA Witt Construction to build three new single-family homes in the Moraine Addition. These units will be constructed on Lots 8, 9 and 10 on the northwest side of the Moraine Addition.

These will be four- and five-bedroom units.

We are committed to being good neighbors. KA Witt construction is committed to ensuring the safety of the jobsite team, the surrounding community and you!

We will do our best to minimize inconveniences of the construction process, but please expect noise during the working hours and occasional traffic delays.

K.A. Witt Construction will begin work this fall and continue for approximately 9 months.

Questions or concerns during construction.

**WE WOULD LIKE TO HEAR ABOUT IT.**
